

FEMTO Lab Information

Position/title

Print Name

Date

If you are an external user, contact the Bowers Admin first. The following information outlines the steps necessary to obtain access to the FEMTO lab. Initial next to each line item in both sections A and B.

Please collect all necessary signatures on Page 2.

Section A: Process (Initial each one once completed)

- _____ 1. Provide certificates of completion for the following courses:
- Log on here: <https://www.learningcenter.ucsb.edu/>
 - Instructions here: <https://optoelectronics.ece.ucsb.edu/certificate-instructions>
 - Complete: Fundamentals of Laboratory Safety: [SBHLSF-LS60-FUND-ECO](#)
Laser Safety: [SB-UCLOL0028-ECO](#)
- (If you completed these courses over three years ago from today's date, you will need to redo these courses.)
- _____ 2. Obtain an Access Card 6-Digit Badge # _____
- Obtain an Access Card (if you do not already have one) with Door Access at the UCen Information Desk
 - Obtain appropriate signatures on an Access Authorization Form (Yellow form for Internal Users/ Purple Form for Outside Users)
 - Take signed Access Authorization Form and card to the ECE Shop in Harold Frank Hall, Room 1160
- _____ 3. Complete FEMTO lab training. (Coordinate a training time by emailing Tin at: tkomljenovic@ece.ucsb.edu.) FEMTO Training completed on: _____
- _____ 4. Complete and sign the Laboratory Worker Safety: Training Needs Assessment and Documentation.
- _____ 5. Complete the LHAT/PPE training via <https://ehs.ucop.edu/lhat/>.
- _____ 6. Read all three sections of the FEMTO Chemical Hygiene Plan (rev. 3/2018). Sign the acknowledgment on page 2, that you have read and understood the three sections of the Chemical Hygiene Plan. (<http://optoelectronics.ece.ucsb.edu/femto-lab-information>)

Section B: User policies and procedures (Initial each one once completed)

- _____ 1. **Always** use the card readers when entering and exiting lab. Failure to use the exit reader will result in revoked access.
- _____ 2. The lab door is to remain closed, but in the event that it is open or you are following another individual into the lab, you must pass your key card over the readers.
- _____ 3. You must stay in the lab until completion of an experiment. If you need to take a short break, the exit and entry process must be used each time.
- _____ 4. Preference goes to Bowers' group members for all equipment usage.
- _____ 5. Removal of equipment is only allowed with written permission. Send requests to tkomljenovic@ece.ucsb.edu and bowers-admin@ece.ucsb.edu.
- _____ 6. Email any equipment issues to tkomljenovic@ece.ucsb.edu.
- _____ 7. Lab information will be distributed via email. Forward email address updates to bowers-admin@ece.ucsb.edu.
- _____ 8. Smoking is not allowed in or near any building on campus.
- _____ 9. Pathways and all lab doors must be accessible at all times.
- _____ 10. Lab furniture is braced for safety; do not attempt to move it.
- _____ 11. Should the fire alarms sound, quickly and calmly leave the building and assemble outside, on the other side of the bike path, near the Chemistry Building.
- _____ 12. A First Aid kit is available for small injuries and located near the front door.
- _____ 13. **Emergencies related to personal injury or structural issues require a call to 9-911. Follow-up with a call to the ECE Department Safety Representative Paul Gritt at 805-893-5775.**

FEMTO Lab Information

I have read the above FEMTO Lab policies and procedures (both Sections A and B on Page 1) and agree to abide by them and any changes in the future. I further understand that my FEMTO lab privileges may be revoked at any time and for any reason.
